PIR SAHIB MIYAN,
Head Master.

OFFICE OF THE SUPERINTENDENT, POWER AND LIGHTING, MYSORE.

Notification dated the 15th March 1937.

Sealed tenders, in triplicate, will be received at the Office of the Superintendent, Power and Lighting, Mysore. Tenders should be superscribed with the name of the work given below :—

2. The plans may be seen in the office of the undersigned at all working hours.

3. The tenders should be drawn up in conformity with the specifications furnished below, writing out the rates at which the different items of work will be executed, in figures as well as in words, failing which the tenders will be disqualified.

4. The undersigned reserves the right to reject the tenders without assigning any reason therefor.

5. The successful tenderer will be required to deposit with the undersigned an earnest money of Rs. 500 (Rupees five hundred only) and execute an agreement within 3 days from the date of receipt of intimation as to the acceptance of the tender, failing which the tender will be disposed of otherwise.

6. The materials to be used on the work should be either best quality English or American manufacture and conform to the specifications. The work should be executed strictly in accordance with the wiring rules of the Department as well as that of the Institution of Electrical Engineers. Mention should also be made of the catalogue numbers of the materials offered. The insulated wires to be used should be of 2,500 megohms grade. The heavier section of the wires specified against the items should be used for mains and the smaller section for taps.

7. No items other than those noted in the statement should be included in the tender as the items include provision for masonry repairs, painting, etc.

8. The successful tenderer should carry out any changes that might be suggested during the progress of the work, with regard to the location of the fixtures, switch points, etc., without extra cost if the estimate is not materially affected by such a deviation.

9. Name of work :—" Installing Electric Lights to the General Hospital Buildings at Chikmagalur."

10. Last date and time of receiving the tenders is 5th April 1937 at 3 P.M.

11. Time and date of opening the tenders in public is 4-30 P.M. on the 5th April 1937.
